

## Declaration of Impartiality

The management of EX-ON Engineering Ltd. commits itself to impartiality in this statement.

EX-ON Engineering Ltd.:

- + in order to ensure its legal identification, indicate its name, address and other contact details on its letterhead and on all documents issued by it as a Certification Body (Fire Protection Conformity Testing and Certification Body or Explosionproof Equipment and Protection System Certification Body)
- + as a Certification Body, declares its impartiality in order to have confidence in the documents it issues;
- + is responsible for the impartiality of its certification activities and does not allow itself to be pressured by commercial, financial or other means to relinquish its impartiality
- + carried out a risk analysis, which it reviews annually to determine threats to its impartiality
- + has independence and impartiality in relation to the certification activity from its Clients and other parties; the managing director holds the employer's rights
- + oversees, analyses and documents conflicts of interest arising from certification decisions, including conflicts of interest arising from other existing relationships with the Client
- + if a relationship poses an unacceptable threat to impartiality, it does not undertake to carry out the certification
- + is not involved in the design, development, manufacture, assembly, installation, distribution, sale and consulting of machinery, appliances and equipment with the risk of fire and explosion resp. equipment, products and protective systems intended for use in potentially explosive atmospheres which are certified by the Certification Body
- + requires its employees to report any situation they have come to know that could pose a conflict of interest for them or EX-ON Engineering Ltd.
- + all members of its staff who may influence the certification activity, act impartially and do not submit to any commercial, financial or other pressure that could compromise their impartiality;

Budapest, 2020. november 15.
